EXPERIENCE

YMCA of Metropolitan Chicago

August 2023 - Present

Program Mentor & Instructor

- Mentor and leader to over 20 young adults in the Water Works workforce development program, delivering American Red Cross and aquatic certification training.
- Spearheaded a data-driven marketing campaign that exceeded registration goals by 25%, engaging new community partners and driving participation in a market with historically lower demand.
- Maximized positive outcomes for participants, facilitating a 95% certification rate and career readiness, while ensuring strict program compliance.
- Successfully instructed three classes of lifeguard candidates, teaching lifesaving skills in strict compliance with Red Cross standards.

TestEquity | Chicago, IL

August 2021 – August 2023

Sales Operations Support Specialist

- Championed vendor-managed inventory (VMI) solutions for six enterprise clients, ensuring uninterrupted operations despite major supply chain disruptions.
- Drove account growth from \$900K to \$1.2M (exceeding targets) and increased market penetration by 15% through proactive data analysis and demand forecasting.
- Collaborated cross-functionally and on-site in a client-facing role to implement cost-effective solutions and maintain stringent quality standards.
- Demonstrated adaptive leadership during the COVID-19 pandemic, leveraging data-informed decision-making to overcome logistical obstacles and sustain consistent operational performance.
- Built and leveraged strong client relationships to gather user feedback, directly shaping VMI improvements and driving long-term account value.

Costco Wholesale | Champaign, IL

September 2020 – August 2021

Member Service Associate

- Contributed to the successful launch of a new warehouse, driving operational efficiency during the opening phase.
 - Applied data insights, systematic monitoring, and attention to detail to improve inventory accuracy and contribute to warehouse operational efficiency.
-

PROFESSIONAL AFFILIATIONS

Institute for Operations Research and Management Sciences – UIC Chapter

Member

- Actively participate in workshops to stay current with emerging trends in data analytics and operations management.
-
